**Note:** Policies in local Customs in Free Trade Zone and Export Processing Zone may differ.

*: No immediate tax refund.

**: Function applies in FTPZ only.
BLP supports **Regional Distribution Center for order fulfillment to Global and Domestic Markets**

**Features:**

- BLP can receive domestic and overseas goods to fulfill orders to both domestic and overseas markets with potential value-added services.

- Domestic suppliers are able to obtain immediate tax refund when their products delivered to BLP which is considered as exported out of China.

- These products can then be imported back for domestic sales.

**Note:** AST Logistic also provides FTA analysis as appropriate.

Technology platform that supports Order Management, Shipment Planning, Events Tracking and Performance Management
See Across & Deep within your entire Supply Chain

- Visibility - View supply chain data integrated with product event status from all your carriers, for any transport mode (air, ocean, and ground) and any delivery mode at any location - all in one application.

- Exception Management - Proactively manage, improve responsiveness, and enhance logistics efficiency across your entire supply chain

- Predictability - Identify and reduce transit variability; know when your product passes key milestones

- Collaboration - Automatically schedule and distribute critical reports; collaborate online with your supply chain partners

- Data Quality - Depend on the data; APL Logistics aggressively verifies and manages incoming data to ensure you see accurate, timely, and complete information
Through the long-term logistic practice, we has accumulated rich experience in operation, and is dedicated to provide comprehensive logistic service.

It's approved by the Ministry of Foreign Trade and the General Administration of Customs with nationwide import and export operation right, having extensive sea & air transportation network.

- Specialized in import & export trade.
- Providing customs clearance and commodity inspection service.
- Business in Yantian, Shekou, Qianhai, Huanggang, Dachan Bay, Shenzhen Bay and EPZ.
- Thousands of orders per month.
